FLEXIBLE LEARNING
AT A DISTANCE: LSU

Educatng students at a distance has been part of LSU's mission for 90 years. Whether you want to earn college credit to apply toward a degree, to enhance your professional credentials, or to expand your horizons, LSU Distance Learning (DL) offers the courses and flexibility you need to reach your goal. Independent learning courses give you the flexibility to achieve your educational goals while you maintain other important work, home, and community commitments. With LSU DL, you choose when to enroll, where and when to study, and your learning pace.

Please consult the LSU DL website for course descriptions, course details, and information about policies and procedures for courses that interest you.

LSU Distance Learning courses can help you achieve your educational goals on your schedule. Refer to the website for complete policies and procedures.

WHAT IS A DISTANCE LEARNING COURSE?
LSU Continuing Education offers Online Distance Learning (ODL) courses that are fully online courses delivered in Moodle. All interaction in the course—assignments, quizzes, exams, instructor communication, discussion forums—is done online. Courses are self-paced and allow six months to complete. Distance learning courses provide convenience and flexibility; however, they are not a shortcut to earning credit or a form of credit by exam. Courses must be completed according to ODL policies, which are found on our website.

WHY TAKE A COURSE THROUGH LSU DISTANCE LEARNING?
· Begin a course on your schedule: enroll any day, any time
· Plan your education around your life—no class meetings or registration hassles
· Work at your own pace: you will have six months to complete your course (most courses require a minimum of nine weeks to complete)
· Take the course you need: choose from more than 100 course titles
· Receive college credit from an accredited university
· Benefit from our experience: LSU is a recognized leader in distance learning
· Take advantage of LSU’s excellent educational value

DO I HAVE TO BE AN LSU STUDENT TO ENROLL?
No. Admission to LSU (or other college or university) is not required.

HOW DO I ENROLL?
You may enroll online through the ODL website. LSU students must first get approval from an academic counselor or dean.

WHEN CAN I ENROLL?
You can enroll at any time during the year. Many students complete their coursework and exams in less than a typical semester.

WHAT COURSES DO YOU OFFER?
We offer more than 100 college-credit courses. Information in this guide is correct as of the date of printing; for the most up-to-date information, please consult our website.

HOW MUCH DO YOUR DISTANCE COURSES COST?
LSU undergraduate course fees through the Distance Learning Programs are $184 per credit hour, plus required fees. Fees for non-credit courses are specified in the course listing. In addition, there is a $10 non-refundable application fee for each course. You will also need to purchase textbooks. Some of our courses require additional materials. ODL courses require an exam proctoring fee paid directly to the required proctoring service; the current charge is $25 per exam session. To learn more about specific course requirements, please refer to the course descriptions on the LSU Distance Learning website.

WHAT CAN I DO WITH THE CREDIT FROM DISTANCE LEARNING COURSES?
· Apply credit toward a degree at LSU
· Transfer credit to another university
· Use credit to meet licensing or certification requirements
· Learn new skills for your current employment
· Prepare for a new position or profession
· Prepare for college or graduate school

CAN LSU COURSES MEET MY GENERAL EDUCATION REQUIREMENTS?
Many students, both at LSU and other colleges and universities, use distance learning courses to meet English composition, analytical reasoning, arts, humanities, natural sciences, and social sciences requirements and prerequisites. LSU general education courses are marked with a star (★) in this guide. Check with your advisor to see whether credit from LSU can be applied toward your degree requirements.

HOW DO I TAKE MY EXAMS?
You will take exams online through a proctoring service, as instructed in your course.

IS LSU AN ACCREDITED INSTITUTION?
Yes. Louisiana State University and A&M College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master’s, and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call 404-679-4500, for questions about the accreditation of Louisiana State University and A&M College.

LSU Continuing Education is a member of the University Professional & Continuing Education Association, the Association for Distance Education & Independent Learning, the Online Learning Consortium, the Electronic Campus of the Southern Regional Education Board, and the National Council for State Authorization Reciprocity Agreements.
